Composition/information on ingredients	
Chemical characterization: Substances	
CAS No. Description	
SDF-1α (human) trifluoroacetate salt	
Identification number(s)	
EC number:	
RTECS Number:	
-	
3	

# Safety data sheet according to 1907/2006/EC, Article 31

#### 1714000

BACHEM

Revision: 18.08.2015 Printing date: 07.07.2016

(Contd. of page 1)

### **PRODUCT** : SDF-1α (human) trifluoroacetate salt

04 First aid measures

- · Description of first aid measures
- After inhalation:

Supply fresh air; consult doctor in case of complaints.

- After skin contact:
- Immediately wash with water and soap and rinse thoroughly.
- After eye contact:
- Rinse opened eye for several minutes under running water.
- After swallowing:
- Call a doctor immediately.
- Information for doctor:
- Most important symptoms and effects, both acute and delayed No further relevant information available.
- Indication of any immediate medical attention and special treatment needed No further relevant information available.

### 05 Firefighting measures

- · Extinguishing media
- Suitable extinguishing agents:
- CO2, powder or water spray. Fight larger fires with water spray or alcohol resistant foam. • Special hazards arising from the substance or mixture
- No further relevant information available.
- Advice for firefighters
- Protective equipment:
- No special measures required.

### 06 Accidental release measures

- Personal precautions, protective equipment and emergency procedures Not required.
- Environmental precautions: No special measures required.
- Methods and material for containment and cleaning up: Pick up mechanically.
- Reference to other sections

## 07 Handling and storage

- Handling:
- Precautions for safe handling Prevent formation of dust.
- Information about fire and explosion protection: No special measures required.
- · Conditions for safe storage, including any incompatibilities
- · Storage:
- Requirements to be met by storerooms and receptacles: No special requirements.
- Information about storage in one common storage facility: Store away from foodstuffs.
- Further information about storage conditions: Store in dry conditions.
- Recommended storage temperature:
   <-15 °C</li>
- Specific end use(s)
- No further relevant information available.

<ul> <li>General protective</li> </ul>	and hygienic measures:
	ary measures are to be adhered to when handling chemicals.
<ul> <li>Respiratory protect</li> </ul>	
	sure or low pollution use respiratory filter device. In case of intensive or longer exposure use self-contained
respiratory protective	e device. ory protective device in case of insufficient ventilation.
<ul> <li>Protection of hand</li> </ul>	
	as to be impermeable and resistant to the product/ the substance/ the preparation.
•	no recommendation to the glove material can be given for the product/ the preparation/ the chemical mixture.
•	e material on consideration of the penetration times, rates of diffusion and the degradation
Protective gloves	
<ul> <li>Material of gloves</li> </ul>	
	suitable gloves does not only depend on the material, but also on further marks of quality and varies from
manufacturer to man	
Penetration time o	
	ugh time has to be found out by the manufacturer of the protective gloves and has to be observed.
<ul> <li>Eye protection: Safety glasses</li> </ul>	

## 09 Physical and chemical properties

Information on basic physical and che	emical properties	
General Information		
Appearance:		
Form:	Lyophilisate	
Colour:	White	
Odour:	Nearly odourless	
Odour threshold:	Not determined.	
pH-value:	Not determined.	
Change in condition		
Boiling point/Boiling range:	Undetermined.	
Flash point:	Not applicable.	
Flammability (solid, gaseous):	Not applicable.	
Ignition temperature:		
Decomposition temperature:	Not determined.	
Self-igniting:	Not determined.	
Danger of explosion:	Not determined.	
Explosion limits:		
Lower:	Not determined.	
Upper:	Not determined.	
Vapour pressure:	Not determined.	
Density:	Not determined.	
Solubility in / Miscibility with		
water:	at 25 °C 1,00 g/l	
Viscosity:		-

# Safety data sheet according to 1907/2006/EC, Article 31

1714000

Revision: 18.08.2015 Printing date: 07.07.2016

PRODUCT : SDF-1α (human)	SDF-1α (human) trifluoroacetate salt		
		(Contd. of page 3)	
Dynamic:	Not determined.		
Kinematic:	Not determined.		
Other information	No further relevant information available.		

# 10 Stability and reactivity

- Reactivity
- Chemical stability
- Thermal decomposition / conditions to be avoided:
- No decomposition if used according to specifications.
- Possibility of hazardous reactions
   No dangerous reactions known.
- Conditions to avoid
- No further relevant information available.
- Incompatible materials:
  - No further relevant information available.
- Hazardous decomposition products: No dangerous decomposition products known.

## 11 Toxicological information

- · Information on toxicological effects
- Acute toxicity:
- No further relevant information available.
- Primary irritant effect:
- on the skin:
- No further relevant information available. • on the eye:
- No further relevant information available.
- Sensitization:
- No sensitising effects known.
- Additional toxicological information: The substance is not subject to classification according to the latest version of the EU lists.

### 12 Ecological information

- Toxicity
- Aquatic toxicity:
- No further relevant information available. Persistence and degradability
- No further relevant information available.
- Behaviour in environmental systems:
- Bioaccumulative potential
- No further relevant information available.
- Mobility in soil No further relevant information available.
- No further relevant information available
- Additional ecological information:
- General notes:
- Not known to be hazardous to water.
- Results of PBT and vPvB assessment
- PBT:
- Not applicable.
- vPvB:
- Not applicable.
- · Other adverse effects
- No further relevant information available.

Environmental hazards:		
<ul><li>Not applicable.</li><li>Transport in bulk according to Annex II</li></ul>	of MARPOI 73/78 and the IRC Code	
Not applicable.		
Transport/Additional information:		
Not applicable.		

## 15 Regulatory information

· Safety, health and environmental regulations/legislation specific for the substance or mixture

- · National regulations:
- · Waterhazard class:
- Generally not hazardous for water.Self-assessment
- Chemical safety assessment:
- A Chemical Safety Assessment has not been carried out.

## 16 Other information

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
